

Biographical Sketch

Angel D. Hernandez Mejias

Current Status

BS Candidate

Dept. of Chemistry, UPR-Rio Piedras

Email: angel.hernandez11@upr.edu

Education:

2010-2016 Colegio Catolico Notre Dame (high school)

2016-present UPR-Rio Piedras

Current Research Interests: My research has focused on the synthesis of a new MRI contrast agent. Our goal is to synthesize a MRI contrast agent that retain the same benefits as the gadolinium contrast media but without or less side effects.

Research Experience:

2016 Research Assistant, (mentor, Dr. Liz Diaz)

2017 Research Assistant,(mentor, Dr. Dalice Piñero)

Honors:

2017 Research Initiative for Scientific Enhancement (RISE) Fellowship
