

## Biographical Sketch

---

### **Fabiola C. Sotomayor Reinat**

#### **Current Status**

Cellular and Molecular Biology Undergraduate Student- Junior, UPR-RP  
Want to pursue an MD-PhD

**Email:** [fabiola.sotomayor@upr.edu](mailto:fabiola.sotomayor@upr.edu)

#### **Education:**

2015- Present BS Cellular and Molecular Biology  
2020 MD-PhD Cancer Biology (expected)

**Current Research Interests:** My research has focused on the link between the infection human papillomavirus (HPV) as a risk factor for penile cancer. We are currently focusing on identifying and comparing gene expression patterns in HPV+ and HPV- penile cancer.

#### **Research Experience:**

2017-Present Centro Comprensivo de Cancer, Universidad de Puerto Rico Recinto Ciencias Médicas, Undergraduate Research Student (mentor, Dra. Magaly Martínez-Ferrer)

#### **Honors**

2017 The National Society of Collegiate Scholars  
2017 Programa de Estudios de Honor, Universidad de Puerto Rico-Río Piedras
