OLIVER D. PICHARDO PEGUERO

CURRENT STATUS

Undergraduate Student
University of Puerto Rico
Río Piedras Campus
Department of Chemistry

Email: oliver.pichardo@upr.edu

EDUCATION

- BS** University of Puerto Rico, Río Piedras Campus, Chemistry
Currently Pursuing (Expected Graduation: 2021)
GPA: 3.95
- 2016 HSD** Padre Rufo Bilingual School
Graduated Valedictorian
Specialty Certification
GPA: 4.00

RESEARCH EXPERIENCE

- 2018-present **Coordination Chemistry Lab, The Piñero Group**
Mentor: Dr. Dalice Piñero
- 2016 (Summer) **Project SEED, San Juan, P.R.**
Mentor: Dr. Dalice Piñero
- 2015 (Summer) **Project SEED, San Juan, P.R.**
Mentor: Dr. Dalice Piñero

HONORS

- 2018-present **NIH-Research Initiative for Scientific Enhancement (RISE)**
Research Assistantship
- 2018-present **Programa de Estudios de Honor (PREH)**
This is an interdisciplinary program offered by the University of Puerto Rico to encourage undergraduate research in its members.
- 2017 **Golden Key International Honour Society Member**

2017 **National Society of Collegiate Scholars (NSCS) Member**

2016-present **Dean's List: Faculty of Natural Science UPR-RP**

2016 to 2017 **Project SEED Scholarship Recipient**

This 1-year nonrenewable scholarship is intended to assist former SEED participants as they transition from high school to college. Selection is based on achievement in school, success in the Project SEED program, financial need, and intended chemical-related field of scientific study.

2016 **Recognition from the House of Representatives of Puerto Rico**

I was awarded by the House of Representatives of Puerto Rico along with other students because of my high GPA.

2016 **Recognition from the Department of Education of Puerto Rico**

I was awarded by the Department of Education of Puerto Rico along with other students for maintaining a 4.0 grade point average through every high school year.
